

BISHOP WESTCOTT GIRLS' SCHOOL, DORANDA

NOTICE TO PARENTS

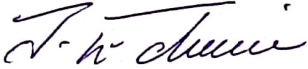

I am very grateful to you dear parents for your co-operation and support.

It is a very humble request to kindly pay your ward's Annual/Maintenance Fee of Rs. 4,780/- which is paid one time annually but due to COVID - 19 Lockdown Government had said not to take for three months. The letters put in Hindi and English prove that now all schools are taking the fees thus we also request you for the same.

As we have to see to the maintenance of the School, Government is carrying on taking the taxes, electricity and phone bills, etc. So it our very humble request to you dear parents to please cooperate with us.

Those parents who have cleared your wards fees till March 2020 - 2021(Tuition Fee and Voice snap/Media) will also have to pay the above mentioned Fee.

Looking forward for your kind co-operation in anticipation.
